

## **Selling Your Agency? Want To Buy An Agency?**

Mel Clemmons of SAMM Consulting is the “go to” expert for agency owners selling and buying agencies.

I have worked with Mel and SAMM Consulting for five years. From having known Mel personally for over 10 years, I have been able to witness his great success both as an Allstate Agency Owner ... AND ... helping agents just like you sell and buy agencies.

Mel is a man of hard work and integrity, making him a successful agent and businessman. I am confident in his ability to get deals done in complex situations. It is easy to trust doing business with him, as he is constantly working to make sure you are taken care of. My experience with him has proven that he is a man of solid character and expertise.

Take advantage of his experience. He even has lots of FREE resources on selling your agency for the highest price to the best buyer.
