RE: SAMM CONSULTING

I would like to thank SAMM Consulting and Mel Clemmons for all the assistance that they provided me. SAMM Consulting was truly a one step process for me. They got me two contracts within the first 30 days!! I tried for months to sell to prospective buyers. The majority of buyers wasted a lot of time. The entire staff was good with follow up & follow through, during the entire process. I highly recommend them, to any seller. It was amazing how this team made everything smooth. They worked with the buyer and my field sales leader hand in hand to make sure everything was approved. He was worth every penny. He exceeded my expectations. I have been agent over 40 years and I gladly refer SAMM CONSULTING to you for the sale of your business.

Sincerely,

  
Buddy Milton
