

I'm writing to recommend the services of Mel Clemons with Samm Consulting. I found Mel's knowledge of the business and selling process to be invaluable in my transaction. Mel and Nicole where in constant contact with me from the time of my listing through the final closing of my agency. I would highly recommend Mel and his firm if you are looking for a knowledgeable professional to assist you in the selling of your agency. Thanks again Mel for all of your help.

Sincerely,
