

LETTER OF RECOMMENDATION

MATT DEVINE AGENCY
102 JOHNSON FERRY RD NE
ATLANTA, GA 30328

To whom it may concern,

Mel Clemmons assisted with two of my agency purchases. One was a smaller CFA merge account and the other was a larger satellite acquisition. Mel's knowledge of the purchasing process was a huge benefit and quite honestly because of him it made the purchases even possible. He helped walk me through each step from the beginning stage of negotiating all the way to helping structure the loan with the bank. He was readily available whenever I needed to reach him whether it was late at night or on the weekends. He was also very patient and understanding with any concerns or questions that arose. In the future if decide to sell or buy another agency I would use his services again.

Regards,

Matt Devine
